

Hello Friend of SACS!

I am pleased to announce the biennial Loaves and Fishes Event to benefit San Antonio Christian Schools. You won't want to miss the fun scheduled for Saturday, November 14!

The evening will boast a fabulous dinner and entertainment, with silent & live auctions. We need your help to make this event a continued success! Please consider sponsoring a table and join us as we celebrate and raise funds for SACS! This is a wonderful way to invest in the future of our children and community. All proceeds are graciously accepted and designated to our teacher endowment fund and teacher bonuses. We continue to witness the wonderful blessings with which our Father God has showered on SACS and want to share this time of fellowship with you.

Come and celebrate with us, Saturday, November 14, 2009 at 6:00 PM on the SACS campus*
